**Wayne County Community College District  
Replacement Operating Millage Proposal**

This proposal will allow Wayne County Community College District to levy 2.25 mills for operating purposes, permanently replacing and combining two separate existing authorizations which would otherwise expire in 2020 and 2022.

To continue to provide operating funds to the Wayne County Community College District and as a replacement of existing authority which would otherwise expire in 2020 and 2022, shall the limitation on the amount of taxes which may be imposed on taxable property in the Wayne County Community College District be permanently increased by 2.25 mills (\$2.25 per \$1,000 of taxable value), beginning in 2019? It is estimated that 2.25 mills would raise approximately \$46,533,830 when first levied in 2019.
