

HERE IS A LIST YOU WERE ASKING FOR. HOPE IT'S HELPFUL.  
If you have any questions, please call 734-675-4211.

## Certified Backflow Testers

Please find below a list of backflow device testers who have worked in Brownstown Township.  
You may hire any plumbing contractor of your choice so as long as they are a State of Michigan Licensed Plumbing Contractor and ASSE Certified Backflow Tester.

All installation of new devices requires a plumbing permit.

All installation and repairs **MUST** be performed by a Michigan licensed plumber.  
Installation and repairs of a backflow device requires a certified test upon completion and results must be submitted to Brownstown Township DPW ([ccinspector@brownstown-mi.org](mailto:ccinspector@brownstown-mi.org)).

**Brownstown Township does not endorse or recommend any plumbing contractors.**

For additional backflow device testers please consult the yellow pages, internet, or contact the **State of Michigan**.
